NCCU UC-2 A1200003

Mr. Davis – I approved plan amendment.

Mr. Gibbs – Vote to approve.

Mr. Harris – Voted for approval.

Mr. Smudski – Meeting need to be held with neighbors to clear up their confusion and fears. Emphasis should be applied ASAP to improve conditions in the area, especially with parking.

Mr. Whitney – I vote to approve.

Ms. Winders – In consistency with 1964 redevelopment plan should be addressed by formally repealing this plan. However, since repeal would require difficult process of acquiring 200+ signatures, the plan amendment A1200003 should be approved.
